☒ FINAL

1. The repair of the 552A-102 Fiber Optics Roll-Film Stereoviewer has been completed as specified in the contract. The Contractor has performed a satisfactory job, bringing the instrument back to operational condition. Much of the effort was performed at night because security precautions prevented work during normal working hours. [REDACTED] co-operated to the full extent in overcoming this problem.

2. This inspection report certifies that all deliverable items under the contract have been received and all contractual work has been completed.

3. Concurrence of the acceptability of the instrument has been obtained from the operational component originally taking delivery of the instrument. [REDACTED] Chief, Army Special Activities Division made this concurrence.
